

SUBSTITUTION PROCESS INFO

It is likely that some subs will not get a chance to play during the season. For everyone to have an equal chance to substitute, names will be drawn randomly to find a substitute and that sub will not be put back into the drawing until everyone has had a chance to sub. The only restriction is that all women subs be drawn first to replace a woman and if none are available then draw from the men and vice versa to find men subs.

Substitutes for missing players may be from the Substitute List or any Club team player not playing that day. However, players on the Substitute List will be called before team players are called.

Sherry Bingham and Netta Kaake have volunteered to be the Bocce League Substitution Coordinators.

TEAM PLAYERS

Monday League - If you are going to miss a match call Sherry on 317-674-4012 as soon as possible.

Thursday League - If you are going to miss a match call Netta on 317-219-5893 as soon as possible.

TEAM CAPTAINS

If a player calls you please ask them to call your league substitute coordinator or relay the need for a sub to your league substitute coordinator.

SUBSTITUTES

If something happens that you can't sub after agreeing to sub, call your league substitute coordinator as soon as possible.

SUBSTITUTION COORDINATOR

Your league substitute coordinator will draw names from the list of Bocce Club members eligible to substitute for that person, call them to find a substitute, and let the team captain know who and when.

LAST MINUTE EMERGENCIES

If a player finds they cannot play the day of the match, a player fails to show up, and if a substitute cannot be found for a player, the captain of the opposing team selects one player on the missing player's team to play both ends of the court.
